- Live Demo: www.h-salah.com 🔗

Disney+ Clone
A web application similar to Disney+ using React JS, Firebase, Styled Components, and Redux.
The app includes user registration, dynamic content display, and a responsive user interface design.

- Source Code: https://github.com/HussamSalah399/disney-plus-clone 🔗
- Live Demo: https://disneyplus-clone-82710.firebaseapp.com 🔗

Freshcart E-commerce
A web app for online shopping using React.js and Redux Toolkit.
Features authentication, product browsing, cart, and checkout.
Uses Axios, Formik/Yup, React Slick, React Hot Toast, and React Helmet.
Responsive UI with Bootstrap.
